RE: Buy American Act

To whom it may concern:

This letter is to indicate that the fence and gate systems listed below meet the requirements of the Buy American Act. All post, panel and components used to create the below fence and gate systems are manufactured by Ameristar Perimeter Security. All major components used to create the below fence and gate systems undergo coil processing*, roll forming*, metal processing, coating and packaging within our facility headquarters in Tulsa, Oklahoma, USA. (*not relevant to aluminum products)

Product lines that meet the requirements of Buy American Act:

- Montage, Montage Plus, Montage Commercial, Montage Industrial & Montage II
- Aegis Plus, Aegis II & Aegis II Xtreme
- Impasse II
- WireWorks Plus & WireWorks Anti-Climb
- Echelon Plus & Echelon II
- Stalwart Post & Rail, Stalwart IS, Stalwart II & Stalwart Plus
- Matrix & Matrix Hardened
- TransPort II, TransPort IS, TransPort Estate & TransPort Link Cantilever Gates
- PassPort II, PassPort IS, & PassPort Commercial
- Estate Entry Gates
